Niloofar Noroozi

Message from CEO

Welcome to Canada Global Business Service Incorporation (CGB), where we empower businesses to grow beyond borders.

At CGB, we understand the challenges that SMEs, exporters, and global manufacturers face when expanding into new markets. Our mission is to provide affordable, efficient, and fully digital business solutions that help companies establish a strong presence in Canada, UAE, and beyond—without the heavy costs of local operations.

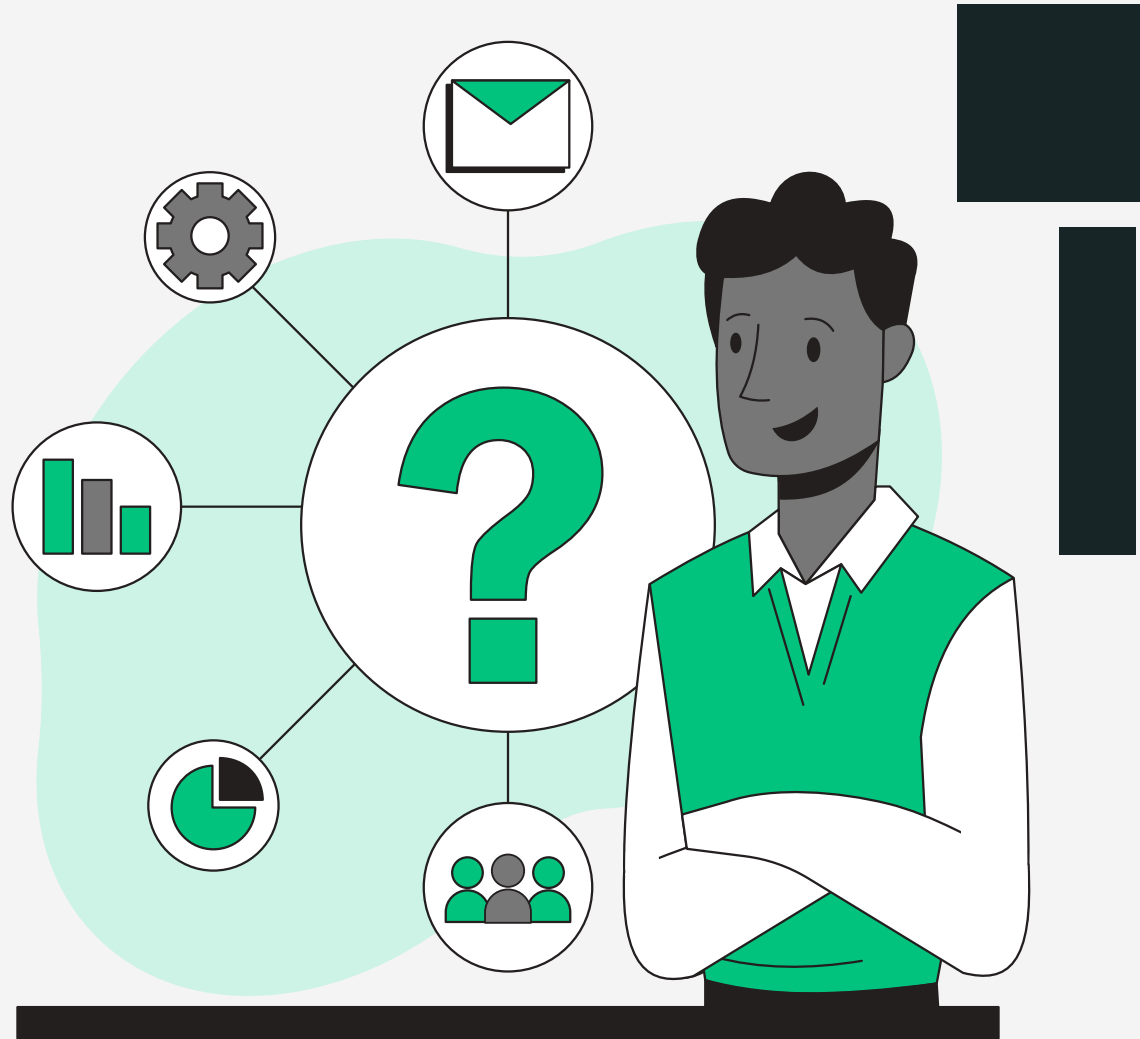

Through our strategic partnerships, advanced digital marketing, B2B networks, and comprehensive trade and logistics solutions, we simplify market entry and business expansion. Whether you are an SME looking for digital transformation, an exporter targeting global trade, or an investor seeking business opportunities in Dubai, we have the expertise and resources to drive your success.

Our vision is not only to accelerate business growth but also to create job opportunities for special needs individuals, senior citizens, job seekers, and students—making a real impact on the economy and society.

We invite you to explore how CGB can be your trusted partner in unlocking new opportunities and achieving sustainable success.

Thank you for being part of this journey!
